

# ACADEMICS

## (A) COLLEGE OF THE ARTS

Do you love the stage? Or are you fascinated by how art has changed over time? No matter your medium, you'll find your community at the Kathrine G. McGovern College of the Arts. The college believes in the transformative power of the arts and its ability to positively shape the world, and their award-winning faculty is here to help you mold your craft to its fullest potential. The College of the Arts offers multiple state-of-the-art facilities including the Blaffer Art Museum, Moores Opera Center, and the Cynthia Woods Mitchell Center for the Arts.

## (B) COLLEGE OF ARCHITECTURE

The Gerald D. Hines College of Architecture and Design produces architects and designers who are skilled in their craft, capable of using advanced technology and methods of industrialized production, and who understand and respect the power of design to shape communities throughout the world. The building itself is meticulously built and inspires innovation through an open studio environment. (We recommend taking a look inside!)

## (C) COLLEGE OF BUSINESS

The C. T. Bauer College of Business, housed in Melcher Hall, provides an exceptional value, preparing a diverse student body for professional careers in accounting, finance, management, marketing, supply chain management, and management information systems. The College also has nationally ranked programs, including the Wolff Center for Entrepreneurship, which has been included in The Princeton Review and Entrepreneur's "Top 25 Undergraduate Programs for Entrepreneurs" since 2007.

## (D) CLASS

The College of Liberal Arts and Social Sciences (CLASS), located in Agnes Arnold Hall, is dedicated to the study of society, creativity, and the human condition. Its programs are designed to spark ingenuity and answer the questions of tomorrow. Here, you'll use your constant quest for knowledge to invest in something bigger than yourself.

## (E) COLLEGE OF EDUCATION

The College of Education, located in Stephen Power Parish Hall, prepares students to make a difference in the community. Students can major in teaching, health, or human development and family studies. Supportive professors merge research with real-world lessons in the context of our thriving, multicultural city. Put simply, students graduate ready to transform lives.

## (F) COLLEGE OF ENGINEERING

The Cullen College of Engineering is the oldest college at UH, and they've got the track record to show for it. All of their programs are nationally ranked, and their world-renowned faculty, millions of dollars in research expenditures, and close ties with Houston's booming industries make them a leader in the world of engineering.

## (G) HILTON COLLEGE

The Conrad N. Hilton College of Hotel and Restaurant Management prepares the hospitality leaders of tomorrow. Inside, you'll find a fully functioning hotel, Eric's Restaurant, and a cafe. The College's program has specialized tracks, ranging from lodging to wine & beverage studies. Aspiring restaurateurs and business professionals alike come to learn about the operational side of the hospitality industry.

## (H) NSM

The College of Natural Sciences and Mathematics (NSM) is committed to excellence in teaching, research, and service in mathematics, computer science, and the physical and biological sciences. Their nationally ranked programs are led by internationally recognized faculty with expertise ranging from cancer prevention to probability theory. As a student, you'll have the opportunity to do groundbreaking research with a faculty mentor, working together to drive the bold discoveries of the future. Fun fact: the Science & Research Building houses several NASA-sponsored projects that serve a critical role in addressing research and development as Commercial Space Centers.

## (I) COLLEGE OF TECHNOLOGY

The College of Technology (also on Sugar Land Campus) first opened as a training school for United States Navy personnel in 1940. It established the country's first ever Naval Reserve Vocational School and Technical Institute program. Today, the college offers 11 undergraduate degree programs. By combining diverse disciplines—engineering, natural sciences, social sciences, and business—it's unique programs meet the needs of virtually all industries.

## COLLEGE OF NURSING

Offering flexible degree plans for Registered Nurses to achieve a BSN (Bachelor's of Science in Nursing), as well as a traditional BSN plan, our renowned College of Nursing grants access to copious amounts of opportunities to shadow and gain experience at the world's largest medical center, located just minutes away from campus. Most classes will be either offered at our Sugar Land or our Katy campus.

# CAMPUS LIFE

## ① WELCOME CENTER

This is where your journey to become a Cougar truly begins. It's a one-stop shop for Admissions, Scholarships & Financial Aid, University Registrar, Student Business Services, and the Cougar Card Office.

## ② CAMPUS REC

This 264,000 square-foot top-notch recreation facility has everything you could ever want: an indoor track, fitness classes, an indoor and outdoor pool, a rock wall, and more! Whether you're just getting started on your fitness journey or you're a pro, this is the place for you.

## ③ STUDENT CENTER SOUTH

Often called the living room of campus, Student Center South is home to lots of retail dining options, the UH Campus Store, Starbucks, a games room (with a full-sized bowling alley!), and much more. You'll never be bored (or hungry) while you're here.

## ④ STUDENT CENTER NORTH

This serves as the home to our 600 student organizations on campus. Inside, you'll find the Center for Student Involvement, LGBTQ Resource Center, Veteran Services Office, Office of International Student and Scholar Services, and Women and Gender Resource Center.

## ⑤ CBB

Short for Classroom and Business Building, CBB houses classrooms and two student support resources: the Writing Center and CASA. The Writing Center offers one-on-one consultations to students. CASA (Center for Academic Support and Assessment) provides proctored testing for students in all subject areas.

## ⑥ M.D. ANDERSON LIBRARY

This is the main library on campus. Here, you'll have access to limitless physical and digital volumes, study rooms, and computers. It also houses the Honors College, which offers smaller classes and an emphasis on critical thinking and reading.

## ⑦ BUTLER PLAZA

Butler Plaza is our designated free speech zone, allowing students to express their first amendment rights, and making it a great place for conversations about theological, political, and philosophical ideas. The beautiful tower in the middle, the Tower of Cheyenne, often becomes the center of many student-led events.

## ⑧ CULLEN FAMILY PLAZA

The Cullen Family Plaza is one of our students' favorite places on campus. You've got the fountains, the cougar statues, and Ezekiel Wimberly Cullen building (also known as the White House of campus), which houses the University's President.

## ⑨ A.D. BRUCE RELIGION CENTER

This is the hub for on-campus religious and spiritual activities. There are 11 student ministries and 3 religious-based student organizations that work to shed light on religious issues and emphasize interfaith dialogues.

## ⑩ STUDENT SERVICES CENTER

Here, you'll find University Career Services (UCS) and the Urban Experience Program (UEP). UCS assists students' career goals by providing one-on-one counseling, workshops, resume critiques, and mock interviews. UEP helps students from diverse socio-economic, gender, and cultural backgrounds, preventing minor obstacles from becoming major setbacks.

## ⑪ COUGAR VILLAGE II

One of our freshman-only residence halls, Cougar Village II is ensuite style, and it offers amenities like free laundry, internet, workout rooms, and kitchen spaces. Check out all on-campus living options at [uh.edu/housing](#).

## ⑫ LAUNCH

Short for "Learning Accomplishments for the Undergraduate Cougars of Houston," this program is a free tutoring service for classes and subjects the University offers.

## ⑬ MOODY DINING COMMONS

This is our 24/7, eat as much as you want (whenever you want) dining hall. It's got a pizza station, sandwich bar, hot food bar, salad bar, dessert bar, and an espresso machine... and that's only the beginning.

## ⑭ LYNN EUSAN PARK

This park is named after Lynn Eusan, who became the University's first African-American Homecoming Queen in 1963. This is a place for students to relax, study, and hang out with friends.
