In addition to required course credit, students must pass a competitive portfolio review (Block Review) as a requirement to advance to the final semesters of this major at UH. This competitive portfolio review is separate from the application to the School of Art and will occur after being enrolled in courses at UH.

#### Transfer Credit Limit

A maximum of 66 hours (grades C- or better) of 1000/2000 level transfer hours may be applied toward a UH degree. From the above courses, choose the 66 hours that best meet the degree requirements for your UH degree combination (Major, Double Major, Double Degree, and Minor). Any additional hours over 66 cannot be used to satisfy degree requirements.

- Students who currently attend UH should refer to their departmental advisor **BEFORE** taking courses at another college.
- Courses listed above are **suggested** courses for this degree. Other courses in combination may apply to a degree.
- See department or course catalog for further information on your degree plan.
- Freshman-level language courses are not required for this degree (though may be needed to achieve sophomore-level courses) and do not count towards the 66 lower level hour limit unless used to satisfy degree requirements.

#### Texas Undergraduate In-State Tuition Enrollment Cap

Under current rules, Texas resident undergraduate students who enrolled for the first time in a Texas public institution of higher education in fall 1999 or later may be charged a premium tuition rate after they reach an established enrollment cap. For details, see [Texas Enrollment Cap | Office of the Provost | University of Houston](#).
